

The Furshpan- Potter Native American High School Program  
Second Year Student Application

## 2024 Application

**Program Dates: June 1-22, 2024**

**Application Deadline: January 12, 2024**

We are looking for alumni of the first year program who are highly motivated and excited to dive further into STEM topics to participate in the second year program. **All students interested in participating in the second year of the Native American Summer Program are asked to write an essay explaining:**

- 1) Why do you want to participate?
- 2) What are you hoping to learn?
- 3) How this experience relates to your career/educational interests and goals?
- 4) How has your experience in the first year in NAHSP allowed you to be an agent of change in your community?

### **Year 2 Program: for students who have just graduated high school:**

*The program will be three weeks long, and students will have the same travel dates as Year 1 students.*

Please email the completed application form and essay to [NAHSP@fas.harvard.edu](mailto:NAHSP@fas.harvard.edu). **Please note** – students wishing to participate in the extended Year 2 pre-college program (June 23- July 5) will need to fill out an additional application form for the Harvard Pre-College Program. We will assist with filling out this form once this application has been turned in.

### **Eligibility:**

- Good academic standing
- Must have completed the first year NAHSP.
- Current High school student or recent high school graduate from a Fort Peck or Hopi high school.

**First Name:**

**Last Name:**

**Email:**

**Birthday MM/DD/YY:**

If still in high school, what is your current grade level?

If you have graduated high school, when did you graduate? Email:

Please send completed applications to [NAHSP@fas.harvard.edu](mailto:NAHSP@fas.harvard.edu) or apply online via the QR code:
